

Detailed Specification

Tank volume ~ 17 Ltrs

Operating Volume ~ 17 Ltrs

Tank Dimensions WxDxH: 330/300/200mm

Outer Dimensions of unit

WxDxH: 430/470/420 mm

Two variable frequencies: 35 & 130kHz

Ultrasonic Power effective variable:250W

HF permanent peak performance max: 1000W

Heating power: 1400W

Thermostat variable between: 30deg.C - 80deg.C

Timer Range: upto 15min/continuous

Operation: Yes

Sweep function selectable: Yes

Stainless steel cover

Stainless-steel basket
